

Competition Terms and Conditions

The promoter of this competition is *SSL full address details* ("Promoter").

1. Duration

The giveaway entry eligibility closes at 23:59 (UK time) on the **15th December 2022** with the winner announced on the **30th December 2022**.

2. Entry

- Owners of a current annual SSL Complete Subscription plan are eligible ONLY and will be automatically entered. (*list annual buy and monthly buy packages*). If you wish to NOT be entered for the giveaway then please contact us here: marketing@solidstatelogic.com
- Only one eligible subscription per person will be permitted.
- By entering this competition, you confirm that you are aged 18 years or older.
- Employees of the Audiotonix group of companies (or family members of employees) or anyone else connected with the planning or administration of this Promotion are not permitted to enter.

3. Choosing procedure

- The competition organizers reserve the right to change the specification of the prize offered.
- The winner will be selected at random from all eligible entries. Solid State Logic's decision is final and legally binding, and no correspondence or negotiations will be entered into regarding the decision. Winners will be contacted by email.
- No cash alternative is available in lieu of the stated prize.

4. Winners' obligations

- By entering the competition, you also agree – in case of a win – to provide further press material (pictures with you and your winning prize, the story behind your winning picture, a statement or an interview about you winning the prize etc.) to be used by the Promoter, its affiliate companies (Audiotonix group) and partners on their website, email newsletter announcements, social media channels etc. for an unlimited amount of time.

5. Data protection and agreement

- Please see our [general privacy policy](#) that apply for this competition, for information about what kind of data we process and for what purpose.
- Please DO NOT ENTER the competition if you do not agree to these terms and contact us at: marketing@solidstatelogic.com
